To Screen Movie On Boy Scouting

Scoutmaster Claude Halstead announced last week that Jim Atkins, of West Branch, Scout Executive for this area, will be showing a film on scouting which will explain all about how a Scout troop operates, detailing the different offices within a troop and the responsibilities of each post. Mr. Atkins will show the film and conduct the meeting in the Activities Room at Grayling High School, starting at 7 o'clock.

Area Cities To Hold Meet

Are cities and villages in Michigan interested in using home rule government? Municipal officials from an eleven-county area will hear reports on the everyday concept of "home rule," areas of jurisdiction, and what can be done to preserve it at an annual meeting of Region IX of the Michigan Municipal League to be held in Tawas City on April 23.

Attending will be mayors, village presidents, councilmen, and other elected and appointed officials from League member cities and villages from the following counties: Alcona, Alpena, Cheboygan, Crawford, Iosco, Montcalm, Ogemaw, Oscoda, Otsego, Presque Isle and Roscommon.

The first session of the afternoon, "Home Rule in Action," will be moderated by East Tawas Mayor E. Werth. This will be followed by a panel discussion of methods of disposing of refuse, including the use of sanitary landfills. Moderator of this panel will be Russell Carlson, city manager of Grayling.

The dinner session will be highlighted by a talk on "Current Legislation and the State Tax Problem — Its Effect on Cities and Villages," and will conclude with the annual election of 1959-60 officers for Region IX.

Present Region IX officers are Grayling Councilman Don Gotro, chairman; Prescott Village President James White, vice-chairman; and Edward Seguin, city clerk of Alpena, secretary.

Regional officers serve as a liaison between the League headquarters and its regional member municipalities and play a great part in helping member officials realize and make use of their League services.

The Michigan Municipal League organized in 1889, is made up of cities and villages in Michigan and is dedicated to the advancement of home rule and to the improvement of municipal government through cooperative effort.

LOCAL STUDENTS TO TAKE NATIONAL SCHOLARSHIP TESTS

More than 25 students at the Grayling High School plan to take the National Merit Scholarship Qualifying Test, Mr. Elmer Pentecost, principal, announced today. The test will be administered at the high school at 9:00 A. M., Tuesday, April 28.

The test is the first step in competition for Merit Scholarships provided by some 90 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship (Continued on Page 8)

Shelson Mathewson Wed In Bay City

Miss Margaret Ann Shelson, daughter of Mr. and Mrs. Norman Shelson of Bay City, and Trooper Stanley A. Mathewson of Grayling, son of Mr. and Mrs. Earl Mathewson of Grayling, were united in marriage at six o'clock on Saturday, April 18, at the Bay City Methodist Church.

The couple is spending this week in Lansing. The bride's return will be at home to their friends at Otsego Lake.

Attending from Grayling were Martin Kitchen, who served as best man in the wedding party, Mrs. Richard Nelson, Mr. and Mrs. Don Ashton, Mr. and Mrs. Jack Rasmussen, Mrs. Willard Harwood, Mr. and Mrs. John Felling, Mr. and Mrs. Norval Stephan, Mr. John Stephan, Mrs. Lucy Stephan, Mrs. Bruce Nelson, Mrs. Bernard Fowler, Mr. and Mrs. Earl Mathewson and Jan Mathewson.

Drinking Causes Trouble For Two Over Weekend

Two persons appeared before Justice of the Peace Olin Williamson Monday as the result of being arrested over the weekend on charges involving drinking.

Claribel Bush, 47, of Petoskey was arrested on Sunday by the State Police on US-27 north of Grayling and charged with drinking and driving. On her appearance on Monday she entered a plea of guilty. Justice Williamson fined her \$75 and \$7.50 costs which were paid in advance.

In addition her driver's license was suspended for ninety days. Lester Jack Gugin Jr., 21, of Grayling was arrested by the Grayling City Police on Sunday and charged with drinking and driving. He also entered a guilty plea when he appeared in Justice Court on Monday. He was fined \$25 and \$9.50 costs or served 30 days in the County Jail. Gugin paid the fine and costs.

Jobless Insurance For 117 More In County

(Special to the Avalanche) New York, April 13. Nearly 66 percent of the business firms in Crawford County, and their employees, are affected by new plans to broaden the unemployment insurance system.

The program, outlined before a group of state governors last month in Washington by President Eisenhower, would extend to others the jobless pay protection which now covers some 45,000,000 of the nation's workers.

Hearings in connection with it have been started before the House Ways and Means Committee.

The Administration wants to expand unemployment insurance coverage so as to include those who work in small establishments. At present, it applies only to those businesses that have four people or more on the payroll. The new plan would bring in firms with less than four employees.

This extension, alone, would add 1,900,000 workers, states the program. Another 1,300,000 who are employed by non-profit organizations, would be brought under coverage, also, under the plan.

In Crawford County, according to recent Department of Commerce statistics, there are 67 business establishments with less than four employees.

They represent 66 percent of the 101 non-farm enterprises in the county.

Their employees would be eligible for jobless pay benefits at a rate and for a length of time to be determined by the state legislature.

The Federal government prescribes who shall be covered and imposes a payroll tax to finance it. Most of the receipts, however, go to the state.

The amounts paid in unemployment insurance vary widely. For a worker with no dependents they range from a minimum of \$5 a week in some states to a maximum of \$45 in others. The length of coverage, also, follows no fixed pattern. It is as short as 5 weeks in some and as long as 28 weeks in others.

In the State of Michigan, the present minimum is \$10 a week for 9 weeks and the maximum, \$30 for 26 weeks.

Nationally, for every business with less than four employees, an average of 1.75 workers would gain coverage.

Using this average locally, some 117 people in Crawford County would be added to those now protected.

Plan Summer Schedule For Driver Training

A summer schedule through later June, July and August will be offered this year in driver training, has been announced by Joseph Stripe, Grayling School superintendent. Don Ferguson, regular instructor in the course will be the summer instructor.

Students taking the course will be 15 years old or older. About 38 have already signed up for the course which gets underway on June 8. There is room for about 60 more students. The wishing to get into the course should sign up at the school office immediately.

From June 8 through 26, class room work in the subject will be offered from 10 a. m. to 2 p. m. The remainder of the course will be "behind the wheel" instruction. Four students will be assigned to each section of "behind the wheel" instruction. However all will take the classroom study at the same time.

Woman's Club

The Grayling Woman's Club was hostess to the Gaylord State Club for a potluck supper at 6:30 p. m. Monday, April 20 at the Clubhouse. There were 68 members present. The decorating committee headed by Mrs. Walter Truettner had worked very hard to get the clubhouse in shape for this meeting. The only thing left to do on the inside is to lay the table on the kitchen floor.

Mrs. William Mosher is chairman of this project. Mrs. Truettner also asked for volunteers to clean the yard before the outdoor picnic. The Kiwanians are sponsoring the area around the clubhouse. The Women's Club is doing the planting. We hope to make Grayling the prettiest city in northern Michigan.

The new garden is being planted. This is a lot of area to plant and very costly, please help us with a few dollars towards the flowers.

WOMAN'S CLUB TO PRESENT VARIETY SHOW

Something new and novel will be presented to the public on Monday, May 11th, when the Woman's Club presents its variety show "The First Nighter".

This is going to be given in place of the Trade Show. Tickets are now on sale at Mac's Drug Store, Baringer's Men's Shop, The Pink Lady and the Grayling Pharmacy, as well as from all Woman's Club members. You will not want to miss this, so get your tickets early.

Watch next week's paper for more about "The First Nighter".

Canoe Race Seems Doomed

It seems that Michigan's famous canoe marathon International Canoe Race down the Ausable River from Grayling to Oscoda on Lake Huron will be discontinued. An outstanding sporting event for the past twelve years, which has attracted contestants and spectators from throughout the Midwest and Canada will be probably dropped due to financial difficulties between the two sponsors.

The Crawford County Chamber of Commerce informed Oscoda Chamber of Commerce President Lester Weiss last week that the Grayling group would not assume the cost of operating the race.

Oscoda has requested that Grayling share equally in the race expense, which includes \$3,000 prize money, instead of paying only one-third of the expense.

Oscoda has furnished two-thirds of the financial obligation for many years. Grayling contends that it does not derive as much financial benefit from the race as does Oscoda.

"Another reason for the race being discontinued is the fact that only about five men in the Oscoda area have indicated an interest in having the race going," Weiss declared.

Oscoda may stage a few short canoe races during the summer months to fill the need and demand for the popular sport in the area.

The race could presumably be re-instated if a proper financial arrangement could be made with Grayling or if a commercial sponsor could be found.

Grayling also is considering a short race or two and also thinking about the possibilities of switching the marathon to the Manistee River, which is running from the M-72 bridge west of Grayling to Manistee on Lake Michigan.

Kiwanis Club Notes

Sgt. Donald Downer, of the Safety and Traffic Division of the Michigan State Police who is stationed in Traverse City, was the speaker Monday night at the meeting of the Kiwanis Club of Grayling held at Shoppenaps Inn. He was introduced by Olin Williamson who was in charge of the program.

Sgt. Downer talked on traffic fatalities on Michigan's streets and highways during the past ten years. The speaker showed the increase in fatalities during the past ten years and the decrease enjoyed by the State during the past two years. He told the club members of the many things which have been introduced by the State Legislature, Secretary of State, State Highway Department and the State Police to alleviate the traffic safety.

"MR. COED" COMING THIS FRIDAY, APRIL 24

The Junior Class of Grayling High School reminds everyone that their three-act comedy, "Mr. Coed," will be presented this Friday evening, April 24, at 8 o'clock at the school gymnasium. Tickets are 50c for adults and 35c for students. The public is cordially invited to attend.

Schedule Another College Basketball Game For Fall

Another college basketball game has been scheduled for Grayling for this coming fall, it has been announced by Fred Welsh, president of the Kiwanis Club of Grayling who is sponsoring the contest.

As last year, the teams of Alpena and Grayling will clash with Northwestern Michigan College of Traverse City in both a jayvee and varsity contest. The games will take place in the Grayling High gym on Saturday night, November 21st.

Second GHS Alumni Meeting Called

Grayling High School Alumni Association President Maurice Packer has called another meeting of Association officers and directors for Monday, April 27, at 7:30 in the school lounge room at the gym.

All GHS alumni members are asked to be present also. Mr. Parker is repeating his request for volunteers to help out on the alumni banquet. Anyone who can give assistance is asked to contact association vice-president, Mrs. William McGraw, 2121, or to attend Monday night's meeting.

Cancer Crusade Goal Is To Save Lives

The American Cancer Society Crusade is not just a drive for funds, Mrs. Jack Richards, the Crawford County Crusade Chairman said today.

"To knock out cancer we will need a 'one-two punch,'" she said. The number one goal of the Crusade, she explained, "is to save one out of two of those who develop cancer. That is the dumber who could be saved by broad application of present knowledge and skills instead of one out of three was are now saving."

"The second target of the Crusade is for funds urgently needed to step up the Society's nationwide research program which offers a promise of solving the cancer problem. 'That promise has never been as great as it is today. Until that final goal is reached we must apply every bit of knowledge and skill to saving lives today.'"

"A large number of life saving leaflets will be given away in our house-to-house canvass here," Mrs. Richards said. "They will also be available at American Cancer Society information booths. The leaflets are designed to save lives that might otherwise be lost to America's number two disease killer by alerting those who receive them to the dangers of neglect and delay."

She explained that while more lives are being saved every year due to improved methods of treatment, needless deaths still occur because the disease is not diagnosed in time. Regular health checkups are the best safeguard, she pointed out, to protect the family and the home.

Mrs. Richards was confident that one day cancer, like other diseases in our time, will be brought under control. "But until that day comes," she said, "public knowledge of the facts of cancer is still one of the best means of saving lives."

The American Cancer Society has a three-pronged program of research, education and service to patients in its all-out effort to conquer cancer.

Seek Nomination Of Best State Helpers

In the past during Michigan week, a committee has nominated men in the State of Michigan who have contributed greatly to the general welfare of all in Michigan. From those nominations the committee would name the five most outstanding men in Michigan for that year.

This year the procedure is being changed a little with the nominations being made by the citizens themselves. The committee will then select the outstanding five from those nominated. Crawford County co-chairman for Michigan Week, Don Jansen and Clifford Peterson announce that they are ready to accept such nominations from any Crawford County person who will forward them to the central committee.

DR. STEALY MOVES TO SHOPPING CENTER

Dr. Stealy has moved his offices from the Olson building at Cedar and Michigan into the new Up-State Shopping Center, next to Dr. L. J. Green and Marge's Beauty Shop. The doctor's phone number will remain the same, 3971 for the office and 2631 for his residence, if the office does not answer.

The move was occasioned by the abandonment of and plans for the tearing down of the Olson building.

Eggie has fished Crawford County streams all of his life and his name is well known to all who love to fish. Bugby also is a veteran fly tier and not only ties flies for himself but enough to offer for sale to those who want to be certain of coming home with some trout in their creel.

Sports Cars Here Next Weekend

Sport Car drivers and enthusiasts from Michigan, Ohio, and Wisconsin are expected at Grayling May 2-3 for Sport Car Club of America, Drivers School and races.

Under the joint sponsorship of North Eastern and Central Western Michigan regions of the SCCA the two-day affair will offer an opportunity for prospective drivers to acquire a novice license.

The program calls for registration and technical inspection of entries, together with instruction sessions Saturday morning. The afternoon will open with the track practice followed by additional instruction, and concluding with two hours of actual racing.

Sunday will see four races starting at 11:30 a. m. with both novice and regular drivers participating.

This weekend program is a prelude to the full weekend of racing scheduled for May 23 and 24, under the sponsorship of the same two SCCA regions.

Tuesday Fire Completely Destroys Ide Garage

The Grayling Fire Department was called out at ten o'clock on Tuesday morning to put out a fire in the garage adjoining the Jerry Ide home on Maple Street. Although still standing, the building was a complete loss as far as usefulness is concerned, according to Fire Chief Gene Papendick.

Cause of the blaze was unknown at the time of writing, and no accurate estimate had been made of the amount of damage.

Attend Disaster Planning Institute In Detroit

Sister Marietta, RSM, Mercy Hospital Administrator, Mrs. Bernice Hilton, R. N., and Mr. L. J. Green, Director of the Disaster Planning Institute at the Port Shelby hotel in Detroit April 13 through 17. The Institute was under the auspices of the Catholic Hospital Association Continual Education Program in cooperation with the University of St. Louis, Mo.

As a result of the information learned at the Institute, Mercy Hospital is now in the process of setting up a hospital disaster care program, in cooperation with the local doctors, to make this community one which will be ready to do its part in time of need. Disaster may strike anywhere at any time. In the form of tornadoes, floods, hurricanes, fires, explosions, transportation wrecks, and wartime emergencies. A disaster preparedness program with trained personnel ready to handle any situation may be vital to the safety and welfare of all of us.

Mrs. Margaret Burkhart Interred At Elmwood

Gravestone services were conducted for Mrs. Margaret Burkhart, 85, of Mt. Morris, at Elmwood Cemetery in Grayling at 2 o'clock on Friday, April 17th. Fr. Joseph Sakowski officiating. Burial services were at St. Mary's Catholic church in Mt. Morris at 9 o'clock Friday morning, with the Rev. Fr. J. A. Beauvais officiating. A rosary was recited at 8 o'clock Thursday at the Miles Marth Funeral Home, Mt. Morris.

Mrs. Burkhart succumbed Tuesday, April 14, at the residence of her daughter, Mrs. Ed McDermid, in Mt. Morris following a three-month illness. She was born December 9, 1874, in Germany, and had lived in Mt. Morris for the last 28 years. She was a member of St. Mary's Catholic church.

Survivors include another daughter, Mrs. William Sims of Bay City; a son, Bernie Callahan of Bay City; a stepdaughter, Mrs. Jerry Hyatt of Flint; a step-son, Kenneth Burkhart of Freeland; seven grandchildren and twelve great grandchildren.

FIRST FOREST FIRE BLACKENS 4 ACRES

The season's first forest fire was discovered last Wednesday, April 15th, by Bernard Fowler. A grass fire had started near Twin Pine Lodge, ten miles east of Grayling on the Ausable river, and burned over three or four acres eastward toward Mrs. S. L. Ballou's. Three Falls cottage. About twelve or fifteen down river menfolk responded to a call for assistance, and the fire was brought under control mainly with snow by the time the Conservation Department arrived to plow a furrow around the area. Damage was considered slight.

Officials To Boost Their Towns On State-Wide Basis This Spring

OFFICIALS who have been boosting their cities every day for years will get a special chance on a statewide basis this spring.

They will help organize local programs to dovetail with the general celebration of Michigan Week.

Robert H. Albert, secretary-manager of the Saginaw Chamber of Commerce, will head up the special board to coordinate the activities of all chambers.

Albert immediately appointed nine members of his special board in cities where regional chairmen of Michigan Week reside, a further effort toward coordination.

Members of Albert's committee are Harvey Campbell, of the Detroit Board of Commerce; Tom Cordell, of Port Huron; Merle Lutz, of Traverse City; Clem Bement, of Mt. Pleasant; Albert Boyd, of Lansing; E. J. Penny, of Flint; John Hay, of Muskegon; Ben Knapp, of Marquette; and Rex Potter, of Battle Creek.

Chambers of commerce will start the ball rolling with a special meeting in Lansing in April.

MINERALS are still being sought in the Upper Peninsula by the Bear Creek Mining Company.

The company's attempt to get authority to explore for low-grade copper in the Porcupine Mountains State Park in Iron County was discouraged last fall.

In the face of almost certain disapproval by the state conservation commission, the company withdrew its application. Conservationists won a battle to keep the park as a wilderness.

Bear Creek now has asked the commission for an "all-minerals" lease in the western Upper Peninsula, with the state retaining an interest in any valuable find.

STANLEY YANKUS, the Do-wagiac farmer, has sold his land and belongings for \$26,000 to obtain money to move to Australia rather than continue a losing fight against Federal controls.

Yankus has become a famous, if pathetic, figure in the fight. He exceeded Federal wheat allotments on his 100-acre farm, insisting his crop was not for market but to feed his chickens, the major source of income on the farm.

Yankus became a controversial figure, even among farmers who agreed with him.

At the farm auction, he disclosed that more than 600 had written letters to him, agreeing Federal controls are unfair but disagreeing that Yankus is doing the right thing by leaving. "The law as it is interpreted deprives me of my right to own property," he said.

Some farmers contended that disagreement with the law is common, but to break it is illegal.

LEGISLATORS anticipate that the 1959 session will adjourn in mid-June, if some of the problems that have plagued members since it convened Jan. 14 can be solved.

Beyond the immediate cash crisis lies the long range tax problem.

To stay afloat and expand to meet the needs of a growing population, Democrats and Republicans agree privately that a broad-

based tax is needed.

From the beginning there were signs of a long and bitter fight over Gov. Williams' proposal for a graduated income tax, a package that he said would net \$14,000,000 a year.

Williams, smarting from attacks on his program was reported ready to agree to any form of tax that will net the necessary money.

Some Republicans are still uncertain how much more taxes are needed and are waiting to be convinced.

They said the state government is going through the same recession the rest of the economy experienced last year because tax collections accurately reflect business done last year.

SENATOR Philip A. Hart has started something in Washington. Instead of putting relatives on the payroll of staffing his office with workers, Hart has turned automation to get his correspondence work done.

Hart has even installed an envelope-licking machine.

U. S. Income Taxes Locally, \$821,000

(Special to the Avalanche)

New York, April 6—How much will Uncle Sam be collecting, in the form of individual income taxes, from residents of Crawford County, this year?

The government anticipates that it will be more than it was last year, when local income and employment taxes came to approximately \$799,000.

The figure, an unofficial estimate, is based on a breakdown of the Statewide total announced by the Treasury Department and on local earnings and income distributions.

The returns from Crawford County represent 0.03 percent of the amount garnered from the State as a whole.

Nationally, the Government looks for the payments now being made to be \$2.2 billion greater than they were last year. This budgetary increase reflects an average rise in income amounting to 2.8 percent.

Assuming a proportionate rise locally, the current returns from individuals in Crawford County will be about \$821,000.

According to the President's new budget, a further increase in personal income taxes will occur in 1960. The boost expected is over \$3 billion. It is to result from bigger incomes in 1959 and from an increase in employment taxes.

The total take from individuals, through income and employment taxes alone, would then exceed \$50 billion, a historic peak.

To keep pace with this budgetary planning and to continue bearing their portion of the tax burden, Crawford County residents would have to raise their combined income by approximately 5.8 percent in the year.

A study by the Tax Foundation discloses that the U. S. Government is presently spending at the enormous rate of \$360 million per day, over \$2.5 billion per week.

Expenditures in 1957 were \$7 billion above the 1957 total, and those, in turn, were \$11 billion over the 1956 outlays.

The Federal tax hike, to meet these expenses, is now running at \$77 billion a year. State and local governments get an additional \$32 billion.

One-fourth of our gross annual product is thus removed in taxes, states the Foundation.

Girl Scout News
Mrs. Joseph Hull gave us some helpful information on first aid at the April 9th meeting. She showed us how to splint a broken arm, also how to do artificial respiration.

I wish to make a correction in the Girl Scout news. Several others took the lily over to the Old Peoples' home for Easter along with Mrs. Abbotele on March 24th.

Girl Scouts will have a potluck supper April 30 at the Michelson Memorial church, from 4:30 to 7 p. m. We will have a skit on April 23rd, and another the 16th of April.

Local Real Estate Board Has Membership Campaign

Unaffiliated real estate brokers who meet the ethical and professional standards of the Northern Michigan Board of Realtors and the National Association of Real Estate Boards will receive a special invitation in April to join both groups. Mrs. Iva A. Cornelius, of Spruce, Chairman of the Board's Membership Committee, said today.

By way of explanation, all real estate brokers are not members of the local real estate board, and, hence, of NAREB. Possession of such dual membership entitles a broker to the designation of Realtor — the registered trademark of NAREB — and indicates that he has met the requirements of experience, competence, and ethical conduct of the two organizations.

While this organization is constantly seeking to strengthen the ranks of professional real estate men and women by the admission of worthy brokers throughout the year, April has been designated as a month in which new membership is a matter of top priority. Other members of the Membership Committee who will assist Mrs. Cornelius in the campaign are: Mr. Clayton D. Graham, M.D.; Mr. William Taylor, Alpena; Mr. George McCreery, Rogers City and Mr. Leo Lovely, Grayling.

HOME AGENT'S NOTES

"Consumers Marketing Information Cooperating with County Extension Service"

"Spring means so many different things to many of us — spring fever, spring house cleaning, pussy willows, crocus blossoms, new spring foods — to name a few.

Maple syrup for many of us heads that list of spring foods. Sugaring-off time is a sure sign that spring is on the way.

Here in northern Michigan maple syrup production is a little behind schedule this spring. One large producer has been quoted as saying our yield this year may be only 20% of the normal yield.

Why is this true? You know the snow storms we've had piled the snow so high it's hard to get to the trees. Too, we haven't had the proper temperatures to induce the sap to run freely.

This week, however, if the temperatures are right—freezing at night and warm during the day—we can look for the sap to flow freely and there will be maple sirup around. Prices may be little higher if the same conditions have prevailed in the other maple sirup producing areas.

Normally mid-April marks the close of maple sirup production. Where little sap has been gathered the "sappers" are praying for a little longer season and more favorable temperatures.

Our laws require that one gallon of maple sirup must weigh not less than eleven (11) pounds. And, of course you know, it takes an average of about 43 gallons of sap to make one gallon of sirup.

The labor involved in tapping the trees, hauling the sap, boiling it down and getting it into suitable containers, as well as the cost of fuel and equipment are real factors in determining the price per gallon. Actually, when we consider all these things, the price does not seem at all out of line.

Price per gallon for maple sirup has shown little variation in the past few years. Smaller sized containers usually are more expensive when figured on the per gallon basis. The economy size package is usually the gallon tin. Convenience is the advantage of the smaller container.

Maple sirup in sealed containers keeps well at room temperature. After the containers are opened the sirup may mold. A U.S.D.A. publication suggests that mold can be prevented by momentarily inverting the package sirup once or twice weekly. This destroys the layer of dilute sirup and therefore, inhibits germination of the mold spores.

If you are reheating sirup do not allow the temperature to go above 200 degrees. The uses for maple sirup other than topping for waffles, pancakes or French toast are so many that each home-maker and cook has developed her own favorite uses.

ART WORKSHOP TO BE HELD AT GAYLORD

The University of Michigan will hold an Art Workshop at the Gaylord Community School, as part of Gaylord's Adult Education Program.

The Workshop will be held in three, three-hour sessions on alternate weeks, starting April 23, continuing May 7, and concluding May 21.

Sessions will be from 7:00 to 10:00 p. m. in the evening and a \$5.00 fee will be made for each participating member for the entire series.

The University instructors will deliver an hour or an hour and one-half lecture which will include an art demonstration. The rest of the three-hour session will be devoted to the discussion and constructive criticism of paintings and other art works with the class members will bring to the workshop.

Hobbyists, professionals, and people interested in art are welcome to attend the three, three-hour sessions.

A Further View Of Michigan

Two weeks ago, we brought to our readers an editorial from a Florida daily newspaper about Michigan. The following editorial is from the Phoenix, Arizona Gazette, a Democratic newspaper. Yes, even in the far west Michigan is being given some pretty rough treatment.

Full Circle In A 'Welfare State'

Economists have a simple, eloquent saying: "There is no free lunch." If the best things in life are free, as the song put it, they are not the things you can wrap up and take home. As every householder knows, as even Dickens's chronic debtor Micawber finally knew, all the difference in the world exists between spending more than you take in and taking in more than you spend.

In the almost private and now-disastrous economic experiment run for 11 years by G. Mennen Williams and Walter Reuther in Michigan, that simple truism has been demonstrated on a gigantic scale. The "liberal" governor and the socialist labor leader have provided a public deficit is more than a mere scare-word. Michigan, one of the great industrial states, is broke. It has been borrowing from banks until the banks cried uncle. Its operating bills have been overdue, its payrolls in doubt, and even its own March 15 debt interest payment a haunting question mark.

IRONICALLY, collapse has been deferred—not averted—by advance tax payments of \$35.5 million made this week by private corporations, whose profit margins have been under constant attrition from the Reuther-Williams wage-and-welfare boosts. It has long been an open secret that Michigan industry has been literally running away from the unfavorable business climate created by the nation's most flagrant example of the so-called welfare state. The fiscal humiliation of a once-wealthy state has been the price of providing an object lesson in the failure of government paternalism.

The Feb. 13 issue of U. S. News & World Report survey vs Michigan's troubles. They are elementary and arithmetical, as the penalty of spending beyond income always is. The state government has doubled its spending in the decade of the Williams-Reuther administration. State services have been expanded until their cost runs well ahead of the national average. This trend has been accompanied by a gradual shift in cost—and control—from local areas to the state level. The legislature went along with the higher spending, for votes, but balked at higher taxes. When the 1957 recession cut tax receipts and added heavily to the welfare load, the crisis began to take shape. In recent months the state has been forced into such fiscal gymnastics as selling assets to swell the general fund, drawing against a special fund for soldiers' bonuses, and even borrowing against advance fees from its university students.

BUT at the same time the governor's budget for the next fiscal year calls for still higher spending—state payroll increases and more state services. To help pay the bill, he wants a 5 per cent profits tax on industry and a state income tax. The Reuther influence hasn't lost its hold yet.

"Soapy" Williams has undoubtedly lost whatever chance he may have had for the White House, and perhaps his base on the governor's mansion, too. The voters of Michigan have been dreaming of pie in the sky for a long time but they will wake up. Walter Reuther doesn't need to worry about voters directly, nor about the consequences of the Michigan experiment. If he has his way, through a labor-dominated congress, the same experiment will be tried in the whole United States. Its same inevitable consequences would then be solved by outright conversion of the economy to socialism, which has been Reuther's goal right along.

Interesting 'Items' of News Gathered From the Files of the Avalanche of 23 Years Ago.

April 23, 1936

A change in the bylaws of the Grayling Winter Sports Association, Inc., enabled the members to hold the annual club meeting in April instead of October as was the former rule. This change was made so that the new club officers could get started on winter sports activities at an early date. While William Hill resides in Saginaw, his work is here and he has taken an active part in winter sports affairs, and this interest was recognized by the members in selecting him as the club president for the ensuing year. After all, there are members of the club in all parts of the state and even in other states, and we believe the club showed good judgment in honoring Mr. Hill to this important office. Roy Trudgen, the retiring president, made a great record for the club during the past year. He spent a lot of his time and money in the interest of the club, and at all times was a most gracious host. Don Reynolds was re-elected to the office of vice-president, as was also Charles E. Moore for secretary, and Wilfred Laurant for treasurer. President Hill is busy selecting three members to work with the officers for a board of directors. It is quite probable that the winter park will be operated on a managership plan next season.

Commercial insurance rates have been lowered in Grayling. From 3 to 15% has been deducted from the rates that have been in use for several years past. This change is because of the new waterworks system now in use.

Mr. and Mrs. Emil Giegling and family spent Sunday at Hale, Michigan, visiting Mrs. Giegling's sister.

The Rev. Fr. Joseph Herr and sister Miss Constance Herr, who spent the winter in Jackson, are among the early ones to arrive at their cabin on the Ausable.

Mr. and Mrs. Esbern Hanson returned Wednesday after spending several days in Detroit, Saginaw, and with Mr. and Mrs. Esbern Hanson, Jr. at Alma.

Arthur May and James Post were in Detroit, Sunday, and attended the Tiger - White Sox baseball game. They visited the former's sister, Mrs. Edwin Rasmussen also.

Mr. and Mrs. Elmer VanNatter and family of Cadillac spent the weekend at the home of Mrs. VanNatter's parents, Mr. and Mrs. Rufus Edmonds, Sr., at Maple Forest.

Guests Thursday of Mr. and Mrs. G. D. Vallad were Mr. and Mrs. Ray Small of Lovells. Saturday they enjoyed a visit from Mrs. John Peterson, of Maple Forest.

Mr. and Mrs. George Skingley and children enjoyed an auto trip to Lake Huron Sunday.

Earl Mathewson is driving a new Chevrolet truck purchased of Alfred Hanson.

Mr. and Mrs. Lawrence Gale

house are spending this week visiting relatives in Battle Creek. Supt. and Mrs. Gerald Poor enjoyed the spring vacation at Ludington, where they visited Mrs. Poor's parents.

Mr. and Mrs. Bert LaBean and baby of Roscommon spent the

weekend with Mrs. LaBean's mother, Mrs. Clayton Strachly. They also visited Mr. and Mrs. Andrew Beck.

Mrs. M. B. Morton of Muskegon returned home Saturday, after spending some time at the home of her daughter, Mrs. C. A. Miller. Mr. and Mrs. Miller and children accompanied her there and remained for the weekend.

Charles McCullough, Jr. and Dick Rickard of Highland Park, spent last week at the cabin of the former's father on the East Branch. It was the boys' spring vacation from their school. The former is a grandson of Mr. and Mrs. Charles McCullough and the boys also enjoyed visiting them.

Mrs. Edward Mayotte and mother Mrs. Rasmus Jorgensen are spending the week in Detroit, guests of Mr. and Mrs. Ralph Warner. Mr. Mayotte, who accompanied them, saw the Tiger-White Sox game Sunday. On his return home his brother-in-law Benny Jorgensen accompanied him to spend the week here.

Roy Smith has secured employment in a factory at Port Huron.

Guests Sunday evening of Mr. and Mrs. Dick Thompson were Mr. and Mrs. Arthur Quella and children and Harold Buell, of Lewiston.

Friends of George Bielski gathered at his home Saturday evening to help him celebrate his birthday anniversary. The evening was spent informally after which refreshments were served. All report a very good time.

Celebrating the birthday of Dick Thompson, a number of his friends met at his home Tuesday evening, to make the occasion memorable. About ten were present and the evening was spent playing cards, after which lunch was served. Dick received many nice gifts.

The sewing circle was very nicely entertained Thursday afternoon at the home of Mrs. Os-

car Goss. Eight ladies were present and enjoyed a pleasant afternoon. The next meeting will be at the home of Mrs. Axel Peterson.

Paul Hendrickson is building a home next to the South Side barber shop. Mrs. Fred Welsh, of Mrs. George Sorenson is driving a fine new Graham Paige sedan, purchased from Leng's Garage at Frederic.

Miss Gail Welsh, who is attending school at Olivet spent the weekend with her parents, Mr. and Mrs. Fred Welsh. Mr. Welsh drove her back on Sunday en route to Pontiac, where he attended a training seminar for leaders of Boy Scouts.

The ladies of the Friday club entertained last week at the home of Mrs. William Williams. Nineteen ladies were in attendance and games were in play during the afternoon. Prizes were won by Mrs. William Musher, Mrs. Hurl Dekrow, Mrs. Laura Parker, and Mrs. Albert Knibbs. The committee served a nice lunch.

Some nice shipments of Air-Lock logs are being shipped out almost daily by the National Log Construction Co. One order for logs for construction of ten cottages at Grand Rapids was received recently from one contractor. The Company has to keep increasing their manufacturing capacity in order to keep up with the demand for their product.

Col. and Mrs. LeRoy Pearson of Lansing were here Tuesday and Wednesday on military business. Col. Pearson says that whether or not the Guard will come to Grayling for its annual summer training is not certain. It is possible that the Guard will be sent to Camp Custer for maneuvers with other military units. No appropriation has as yet been made for Grayling camp so it looks as tho the camp would not be used for training this summer.

40 YEARS AGO

April 24, 1919

The Grayling Military camp site bill was passed in the Senate this morning by a vote of 27 to 5 in its favor. The house then re-passed the bill with an appropriation of \$30,000, \$5,000 for immediate use, \$10,000 for June 1st and \$15,000 for next year. With but two negative votes, the bill is now in the hands of the governor and will probably receive his signature before night.

Another chair and another barber are now being added to the George McCullough barber shop. Arthur DeWaele, former devil in this office, son of attorney DeWaele of Roscommon, who has made good as all graduates from the Avalanche office have done, is now a full-fledged attorney, having passed his examination before the state board last week, being one of four who have passed, while fourteen failed.

Fire which is believed to have been started from a defective chimney, totally destroyed the building and part of its contents, of the Will Havens home on Peninsula avenue last Monday afternoon.

Frederick will have one less saloon this year, it is understood, by reason of the license of the late William Callahan having expired. There will still be four saloons in that little village which is two years older than the Warner-Crampton law allows. Also Grayling will have one less, Mr. R. Hanson has purchased the Smith Hotel and will come into possession May 1st, and has declared that no saloon license shall be taken out for that place. This will leave six for Grayling, one more than allowed by the above law.

C. M. Hewitt has moved into the old Douglas home on Cedar St. Miss Blanche Blondin, while roller skating last Friday night, had the misfortune to fall and

break her arm. Dr. Keyport is driving a new Ford car. Also Ernie VanPatten, George Hartman and Mrs. Esbern Hanson.

The Dargis family have moved into the residence on Cedar Street recently vacated by the Henne family, who have moved to Saginaw.

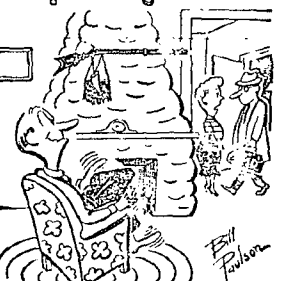

It seems like old times to see Mike Brenner around in policeman's uniform.

Rasmus Hanson has purchased a new Detroit Electric car. It is a model '42, equipped with an Edison battery. It was purchased through the Grayling Machinery Repair Company.

Waldemar Jensen assisted by Harry Sorenson, is redecorating the office rooms formerly occupied by the Kerry & Hanson Flooring Co.

About 50,000 Colorado brook trout, direct from the hatcheries of that state, were planted in the Ausable River by N. G. Goodar, at his place 12 miles down the river last Monday.

The Children's Parade on Friday morning is always one of the highlights of the Festival and the Children's Fishing Contest on Saturday morning will be a big attraction again this year.

GARLAND - GOUDIE VOWS SPOKEN

The Grayling Evangelical Lutheran Church was the scene of the wedding of Mr. and Mrs. Ben Garland of Roscommon to Mr. James L. Goudie, son of Mr. and Mrs. James Goudie Sr. of Muskegon. The ceremony was officiated at the double ring ceremony at 2:30 o'clock on Saturday, April 4. Baskets of baby mums decorated the church altar.

Music was furnished by Mrs. Arthur Eckhaus who sang "Because," and Mr. Freeman Butler, who sang "Or Promise Me".

Given in marriage by her father, Ben Garland, the bride chose for her wedding a pink lace nylon over-tafette ballerina - length gown with matching head band and a pearl necklace. She carried a corsage of baby pink and white roses on a white Bible, a gift of her godmother, Mrs. Freeman Butler.

Mrs. Rodney Jacobs attended the bride as matron of honor. Her gown was of beige lace over taffeta in ballerina length, with matching head band. She carried a baby pink rose corsage.

Mr. Goudie chose Mr. Jim School from Higgins Lake as his best man. Mr. William McLeod ushered.

The bride's mother was dressed in cocoa brown with beige accessories, with an orchid corsage. The groom's mother wore navy with matching accessories and an orchid corsage.

A reception was held at the home of Mr. and Mrs. Freeman Butler in Roscommon. The little living room was decorated with white and pink baby mums. A two-tiered wedding cake decorated with wedding bells graced the refreshment table.

Guests came from Bay City, West Branch, Roscommon, Higgins Lake, Grayling, Muskegon and Alpena.

The bride is a graduate of Roscommon High School and Mr. Goudie attended there too and has served with the army in Japan.

Revival services, with Rev. Hall were concluded with the morning service of Sunday, the 19th. A good week was enjoyed by all who attended—both members and friends and visitors from other churches. A few were present every night.

On Thursday evening a pastors' trio, composed of Rev. Hall, Rev. Orr, and Rev. Weld, sang "Stand Up For Jesus".

Prizes for the best workers of the week were awarded to Mrs. Elmer Corsaut in the Sunday School division, and to Mrs. Kenneth Allen, who invited over 100 people to the meetings. Mrs. Corsaut received a leather-covered New Testament, and Mrs. Allen a Scofield Reference Bible.

Sunday School attendance tied the all-time high of 115, and topped the previous year's record of 102, set on Easter Sunday, 1958. As a climax to the opening exercises Mrs. Corsaut wielded the hammer that smashed a record held by Rev. Weld, and all joined in singing "Over The Top For Jesus".

Pastor Weld's Sunday evening sermon, following the special services, was entitled "Press On".

Coming events in the church include the sewing for the young people: work night this Thursday at 6:00, a progressive dinner May 2, and the Northland Youth Crusade Spring Banquet May 9.

The Women's Institute of the Northern Michigan District with Mrs. Allen McNeil of Alpena, as District Leader, her two counselors, Mrs. Walt Fritz of Boyne City and Mrs. Nettie Jess also of Alpena, ministered an outstanding service for women which was held this past weekend at the Grange Hall in Grayling.

The Grayling church ladies sponsored the luscious meals and lodging for those spending the night. Seventy-three registered. The Friday evening banquet at 7 o'clock started the social part of the program with Elder Merle Harford of Gaylord as Master of Ceremonies. Following the dinner the entertainment was led in group singing, Mrs. Patricia Fowler directing. A short skit "A Family Visit from the Bishop" was given by the Harfords, Norval and Tressa Stephan and Patricia Fowler. The guest speaker for the evening was Bishop Lewis E. Landsberg of Lansing, Mich. He used the Institute theme: "Wanted Women—For Effective Witnessing. Opportunities Unlimited." Saturday from 8 a. m. until 3:30 was filled with services, namely: Registration, Council meeting of local leaders, worship by the Traverse City group, business session, demonstration class on Worship Centers by Mrs. Lewis Landsberg, and talk and class discussion on "Importance of Good Literature in Our Homes", in charge of Lorraine Smith of Traverse City. The noon luncheon "buzz sessions" and panel discussion in charge of Mrs. Walt Fritz gave a healthy feature to the women's work. Following the final discussion a dedication service in charge of Elder Harford and Bishop Landsberg, dismissed the Institute.

Other spiritual features of this wonderful experience were the musical numbers given by the Grayling church choir, "A Little Talk With Jesus", and "Jesus Is The Friend You Need". Mrs. Alice Christopher of Traverse City rendered a solo, "Hold Thou My Hand". The ladies and members of the priesthood came from Lansing, Alpena, East Jordan, Boyne City, Tower, Onaway, Lachine, Kalkaska, Gaylord, Cheboygan, Traverse City, Alma, and Frederic. The Grayling ladies gave a fine service, with Mrs. Norval Stephan as their women's leader. This is our first time to serve the District during an Institute of this kind.

Mr. and Mrs. Norval Stephan motored to Traverse City last Sunday. Norval was the guest speaker at the morning church service. HALF-PAST TEEN

Your Automatic Transmission needs checking REGULARLY

If fluid is not kept at proper level, or needs changing, your automatic transmission can be seriously damaged. Repairs are mighty expensive.

Stop by every 1,000 miles for a fluid level check. And when you need a refill at the mileage specified by your car's manufacturer, you'll get the best — Texaco Texamatic Fluid.

DR. LEE DE FOREST,
VACUUM TUBE INVENTOR,
PRAISES HEARING AID

Lee de Forest, who made modern
radio and television possible through
his invention of the vacuum tube fifty
years ago, recently lavished high
praise on a revolutionary new hearing
aid, the "Line Listener." "It is,"
he said, "without question the best
hearing aid I have ever worn. It
completely compensates for my
hearing loss."

Dr. de Forest, who has the advantage of
ear-level hearing aids and the elimination of
the "tinny" sound of many make "The
Line Listener" are to wear. In
fact, he had to wear a hearing
aid for many years.

So great has been the interest in this
new hearing aid, that the makers have
prepared a booklet outlining in
detail how it functions. These in-
formation booklets are available from
Grayling Pharmacy, 208 Michi-
gan, Phone 5051.

Also carrying a complete line of
batteries and accessories for all
makes of hearing aids.

Outboard Season Nearing; Pays To Investigate

Thinking of getting into out-
board boating this year?
It's easy but a little care in the
beginning will pay off in more
fun and less problems, reports
Donald Weaver of Weaver's Mar-
ine Sales and Service of Lake
Margrethe.

You could hunt around for the
best "deal" but price alone is not
the determining factor in getting
the best boat, motor and trailer
for you and your family, Weaver
pointed out.

Some of the things you should
decide before buying a boat in-
clude: how many persons will be
using the boat, will you be using
the boat on open waters such as
a lake, or on a river or small
lake. Will you be using the boat
to fish from, pull water skiers or
go on extended cruises?

Visit a boat show in your com-
munity, if possible, and gather cat-
alogs and booklets about outboard
equipment. Talk to marine dealers
and get their ideas and prices of
the items they sell. It will be fun
gathering the information and it
won't take long before you are
fairly familiar with the rudiments
of outboard boating, Weaver promised.

"Outboarding is fun for the
whole family," Weaver, who is
the Johnson Motor Boat dealer here,
explained. "A little thought be-
fore hand can save you money
and give you more hours of en-
joyment this coming boating sea-
son."

Home Extension News

The Jolly Gals Home Extension
club met Tuesday, April 14th, at
the home of Mrs. Edna Swanson.
There were nine members and
one guest, Mrs. Phil Woods, pres-
ent. The business meeting was
conducted, and new officers elected
for the next two years.

Chairman, Mrs. Richard
Merrill; vice-chairman, Mrs. Ad-
dison Brown; project leaders, Mrs.
Paul Dosh and Mrs. Swanson;
secretary-treasurer, Mrs. Arthur
Carlson; news reporter, Mrs. Rus-
sell Wright.

A very interesting lesson was
given on property rights, by Mrs.
Brown, with discussion by the
members afterwards. Members
and guests were invited to the
meeting April 20th at the Michi-
son Memorial church at which
Ward Ellison gave a talk on prop-
erty rights.

The group's next meeting will
be at the home of Mrs. Ross
Wolfe on May 12th. The lesson
will be, "The Family in the
Changing World."

A delicious dessert and coffee
was served by the hostess to con-
clude the evening.

IN MEMORIAM

In memory of Bernie Sajdak
who passed away five years ago
April 24th, 1954. We do not need
a special day to bring him to our
minds. The days we do not think
of him are very hard to find.
Within our store of memories, he
holds a place apart. For no one
else shall ever be more cherished
in our hearts.

Mrs. Bernie Sajdak and family

CARD OF THANKS

We wish to express our thanks
and appreciation to Mrs. Henig
Blaha and Clippert, the nursing
staff and Sisters of Mercy Hospi-
tal, for the fine care given our
mother, Mrs. Cella Granger, dur-
ing her stay in Mercy Hospital,
also to friends for their many
cards and best wishes.

BITS O' TALK

Mr. and Mrs. Basil Hubbell and children, Karen, Laurie and Brian spent the weekend in Highland Park, visiting her parents, Mr. and Mrs. Earl Westbrooke. Two wedding anniversaries, the Westbrooke's, on Saturday, and the Hubbell's, on Sunday, were jointly celebrated during the visit.

Mrs. Melvin Marshall and daughters Camilla and Kathleen spent the weekend at St. Ignace, where they visited Mrs. Wilbert Simpson and her mother, Mrs. A. Beck.

Arnold Mauren drives all the way in from the Big Wheel to practice Can Can. But he can't Can Can with out a dress, can he? Your old sheets please!

The Rev. and Mrs. Hollie Luter of Freehold were guests of the Oscar Borchert family at attending their son Mel's wedding last weekend.

Woman's Club

(Continued from Page 1)

The State Convention held April 7 to 9 in Detroit for the benefit of both Gaylord and Grayling ladies as Gaylord did not send a delegate this year.

Mrs. Roy Milnes presented her Glee Club in a group of vocal selections. We thank the girls and Mrs. Milnes very much for their part in our program.

Mrs. Merl Raber led the group in a couple of acting rounds and asked all ladies interested in making aluminum trays to meet at the clubhouse Thursday, April 23 at 1 p. m. Bring your own paint brush.

We thank Miss Matthy and her Home Ec girls for the cute favors they made for us.

The guest speaker was Mrs. Zaid Woodford Schroeder of Detroit. Mrs. Schroeder is an international Woman's Club officer. She has traveled to all sections of our country and other countries of the world as a representative of freedom tours. She gave a very interesting and informative talk on the "Women of other Lands". She stressed the point that women are the point that women are the world over are exactly the same. They desire the same things, namely better homes and better education for their children. She stressed that women in other lands look to the United States for leadership. Their first question to her would always be, "What do the women in America do about it?"

The dinner committee were Mrs. Ted Stephan, Mrs. Joseph Stripe, Mrs. Thomas Welsh, Mrs. Lewis Schilwagon and Mrs. Allan Stevenson. They are to be commended for the lovely table decorations and serving of the dinner.

SCHOLARSHIP TESTS

(Continued from Page 1)

Corporation itself. Some \$15 million in Merit Scholarships has been awarded in the first four years of the program.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. The basic continuing program is for one million dollars a year (for ten annual programs). In addition, sponsor participation this year is expected to add about two million dollars more in sponsored Merit Scholarships. It is estimated that various outside-the-program sources will increase the present amounts offered to high scoring students by several million dollars.

The National Merit Scholarship Qualifying Test is a three hour measure of education development

"I REMEMBER" BY THE OLD TIMERS

From Hattie Thomas, Luther, Oklahoma: I remember Christmas time in the early days in Oklahoma Territory. We lived on a farm and we kids looked forward to the Christmas tree and program at our little schoolhouse on the hill.

There was no cedar tree or anything similar available, so the menfolk of the small community provided a well-shaped, little blackjack tree from the timber lot. My mother and the other ladies entwined and wrapped every branch of the blackjack tree with strips of colored wrapping paper saved from the weekly trips to the country store. Mother was especially handy at making lovely things from crepe paper, so she devised the idea of "snow balls" to trim the tree. She fashioned them from rounds of white crepe paper, puffed and stuffed with snowy cotton from our own cotton patch, and dangling from the branches those snowballs looked dazlingly real, among the strings of popcorn and cranberries.

Never was there such a beautiful tree.

and college aptitude. Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts. Some 10,000 Semifinalists, the highest scorers in each state, will be named early next fall. Each Semifinalist will take a second examination. Those who repeat their high performance on the second examination will become Finalists. Further evaluation of their grades, citizenship, and extra-curricular achievements will follow, and the winners will be announced in the Spring of 1960.
